About This Game

DUELEUM is an action game that fights enemies by making full use of magic and sword.
Let's survive using various techniques.

- Features 1: Charge

By maintaining a certain posture, the charge will be activated.

Sword skill and magic to activate depending on the position and charge time are different.

- Features 2: Sword technique

Sword skill is a powerful attack.

Sword skill deals damage to enemies by consecutive attack.

- Features 3: Magic

You can make magic team with the left controller joystick.

Magic has a wide range and can damage many enemies.

- Features 4: Guard

Reduce damage by applying armor to ordinary attacks and skills of enemies.

Guard activates by placing your weapon on enemy's weapon.

- Features 5: Parry & Break

Attacking an attack of a certain power during enemy attack and defense, the enemy is greatly frightened.

※ These functions may be modified at the early access stage without notice.
